Accountability Plan Progress Report

INTRODUCTION

KIPP A.M.P. Academy opened in 2005 in the Crown Heights neighborhood of Brooklyn, NY. In 2006-07, KIPP A.M.P. finished the year with 133 5-6 graders, all of which are African-American or Hispanic and 90% of which receive free or reduced lunch.

Goal 1: KIPP A.M.P. Academy Charter School will meet the annual Chancellor's Minimum Student Performance Objectives for "High Need" Schools. Specifically, our goal is to have the sum of the percentage of students scoring in levels 3 and 4 on New York State's English Language Arts (ELA) and Math Assessments be equal to or greater than 109.5% each year.

Background

At KIPP A.M.P. Charter School, the ELA curriculum is broken up into two sections in the 5th and 6th grades: reading and writing. Students receive two 90 minute blocks of each daily. In 5th grade, the purpose of the curriculum is for all students to be reading and writing on standards. Students meet the reading and writing standards through rigorous independent practice and targeted intervention. After getting on level, the purpose of the curriculum in the 6th grade is to build inferential and analytical thinking in all genres of reading, writing, and research.

The math curriculum at KIPP A.M.P. begins with a focus on the fundamentals of computation and simple problem solving – everything ranging from the basic four operation calculations to more complicated arithmetic with fractions, decimals and percents. In 6th grade, students are pushed to attain a deeper understanding of 5th grade topics through writing and more complex problem solving strategies. A solid base of these fundamental skills allows for a transition into algebra in the 7th and 8th grades, with the end goal being the passing of the Math A Regents examination. All students receive two blocks of math per day.

Method

New York State administers annual English Language Arts (ELA) and math exams to students in grades three through eight in January and March respectively. This exam is a cumulative assessment measuring student mastery of skills and knowledge at each grade level as determined by the New York State Standards. Individual student performance is reported as a scale score and a performance level determined by the state. Performance levels range from 1 to 4 with Level 3 being proficient and Level 4 being advanced.

Results

The following tables present the state ELA and math test results:

KIPP AMP Performance on 2006-07 State ELA Exam

Grade	Percent at Each Performance Level				
	Level 1	Level 2	Level 3	Level 4	Level $\frac{3}{4}$
5	1	41	50	7	56
6	0	22	73	5	78

KIPP AMP Performance on 2006-07 State Math Exam

Grade	Percent at Each Performance Level				
	Level 1	Level 2	Level 3	Level 4	Level $\frac{3}{4}$
5	1	6	51	42	94
6	0	2	59	39	97

Evaluation

KIPP A.M.P. students in grades five and six far exceeded the goal of having the sum of the percentage scoring in levels 3 and 4 on the ELA and Math Assessments be equal to or greater than 109.5% each year. For the fifth grade class, the sum totaled 160%; the sixth grade totaled 175%.

Additional Evidence

In May, all KIPP A.M.P. students participated in the Stanford-10, a nationally-recognized norm-referenced standardized test. Results on the Stanford 10 are reported in Normal Curve Equivalent (NCE) scores, which range from 1 to 99. Students have achieved normal educational growth if their NCE scores remain the same from year to year. The national average NCE score is 50 and a score of 50 or higher indicates students are performing at or above grade level. This past spring, KIPP A.M.P. 5th graders improved on their baseline NCE score on reading by 36% and in math by 93%. The sixth grade class, while experiencing a slight decline from 2005-06, still maintained increases over their baseline score of 58% on reading and 48% on math.

Stanford 10 Reading Results

	5 th (Baseline)	5 th (Spring)	6 th (Spring)
Class of 2013	38	62	60
Class of 2014	39	53	

Ex: Class of 2013 were 6th graders in 2006-07

Stanford 10 Math Results

	5 th (Baseline)	5 th (Spring)	6 th (Spring)
Class of 2013	48	80	71
Class of 2014	43	83	

Action Plan

For the 2007-08 school year we will be making the following additions to our ELA program:

- Hired a writing coach who will do pull out and intensive writing blocks with our 6th and 7th graders
- Added three certified Special Ed teachers to provide push-in and pull out
- Begin using a schoolwide guided reading program

For Math, we will continue to build on are already successful program. This year's focus will be on providing remediation on a consistent basis. We are also pleased that our highly successful 5th grade math teacher will be moving up to teach our 7th graders.

Goal 2: Each year, students at KIPP A.M.P. Academy Charter School will demonstrate strong yearly progress toward mastery of, and excellence in ELA and Math by meeting New York's Annual Yearly Progress requirements in accordance with the Federal No Child Left Behind Act.

Method

KIPP A.M.P.'s State ELA and Math test scores are compared to the prior year.

Results

The table below shows KIPP A.M.P. students' progress in comparison to that of the school's home district (District 17) and the NYC District as a whole.

Evaluation

This value-add goal was met. The percentage of sixth graders achieving proficiency on the math test rose 3 percentage points, while the percentage achieving proficiency on the ELA test increased by 8 percentage points.

Goal 3: By each year's end, KIPP A.M.P. Academy Charter School will have retained at least 90% of the students that were enrolled at the commencement of the regular academic year in September. This figure will exclude students that leave due to family mobility reasons such as new source of employment, relocation, etc.

In 2006-07, KIPP A.M.P. Academy retained 97% of the students who were enrolled at the commencement of the regular academic year in September.

Goal 4: Each year, the average daily attendance rate will meet or exceed 90%.

KIPP A.M.P. Academy's daily attendance rate for the 2006-2007 year was 98%.

Goal 5: Each year, the percentage of students receiving suspensions or expulsions due to assault, firearms, and/or drug abuse will be less than 4%.

For the 2006-2007 year, no KIPP A.M.P. Academy students were suspended or expelled due to assault, firearms, and/or drug abuse.

Goal 6: Each year, at least 80% of respondents to the annual parent survey will grade the school's effectiveness in communicating with parents, teacher effectiveness, academic rigor, and student character development at "satisfactory" or above.

The 2007 parent survey has not yet been administered and will be administered this summer. We expect similar results as last year showing upwards of 90% satisfaction.

SUMMARY

All of KIPP A.M.P.'s goals were met in 2006-07.

List all positions held on board (e.g., chair, treasurer, parent representative):

1. Is the trustee an employee of the School? ___ Yes X No

2. If you checked **Yes**, please provide a description of the position you hold and your responsibilities, your salary and your start date.

Identify each interest/transaction (and provide the requested information) that you or any of your immediate family members or any persons who live with you in your house have held or engaged in with the charter school during the time you have served on the board, and in the six month period prior to such service. If there has been no such financial interest or transaction, write **none**. Please note that if you answered **yes** to Question 2, you need not disclose again your employment status, salary, etc.
