A Message from the Principal

Dear Parents,

It gives me great pleasure to have this opportunity to address you in our new James Madison High School newsletter. It is our hope that through this publication we may reinforce our commitment to communicate what is happening at Madison.

The man for whom our school is named said, "Knowledge will forever govern ignorance, and a people who mean to be their own governors must arm themselves

with the power that knowledge gives." In an effort to ensure the individual progress of each and every one of our students, we are committed to providing you with the information and knowledge necessary to help us empower your children to succeed.

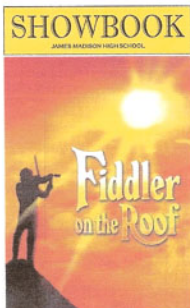

I hope that you find the information in this newsletter enlightening and helpful.

Sincerely,

Joseph A. Gogliormella
Principal
