The Proposed Opening and Co-location of a New District Middle School (02M177) with Existing School P.S. 158 Bayard Taylor (02M158) in Building M158 Beginning in the 2014-2015 School Year

I. Description of the subject and purpose of the proposed item under consideration.

On May 2, 2013 the New York City Department of Education (“DOE”) issued an Educational Impact Statement (“EIS”) describing a proposal to co-locate a new district middle school (02M177, “New Middle School”) in building M158 (“M158”) located at 1458 York Avenue, Manhattan, NY 10075, in Community School District 2 (“District 2”). If this proposal is approved, New Middle School will be co-located in building M158 with P.S. 158 Bayard Taylor (02M158, “P.S. 158”), an existing zoned elementary school that currently serves kindergarten through fifth-grade students. P.S. 158 also offers two sections of a full-day pre-kindergarten program.

P.S. 158 is the only school organization currently in building M158.

If this proposal is approved, New Middle School will open in M158 in September 2014 and will admit students through the District 2 Middle School Choice Process where 50% of the seats will be filled through a screened admissions method and 50% of the seats will be filled through a limited unscreened admissions method. New Middle School will begin enrolling sixth-grade students in 2014-2015 and will add one grade per year until it has reached full scale and serves students in grades six through eight in 2016-2017.

This amended notice provides a new location for the vote by the Panel for Educational Policy on this proposal. This proposal will be voted on at the June 19, 2013 the Panel for Educational Policy meeting now taking place at **Prospect Heights Campus, located at 883 Classon Avenue, Brooklyn, NY 11225.**

According to the 2011-2012 Enrollment, Capacity, Utilization Report (“Blue Book”), M158 has a target capacity to serve 957 students. In 2012-2013 the building is serving only 775 students, yielding a building utilization rate of 81%.

In 2016-2017, once New Middle School has reached full scale, it is projected that there will be approximately 1,081-1,171 students served in M158, thereby yielding an estimated building utilization rate of approximately 113%-122%.

The DOE, in collaboration with community members, supports the co-location of New Middle School in M158. This proposal is intended to increase the number of middle school options in District 2.
