

## **Proposed Phase-out and Replacement: Enrollment Information for Elementary School Families**

### **Overview**

If the proposal to phase out P.S. 022 is approved, all currently enrolled students will have the opportunity to continue their education in the same school building, at P.S. 022 or at the new zoned elementary school that is proposed to open in September 2012.

### **Grades 2 – 5**

- Current fifth grade students will have the opportunity to graduate from P.S. 022 at the end of this school year and will participate in the Middle School Choice process this year to enroll in sixth grade at a choice middle school or his or her zoned middle school.
- Current third and fourth grade students will remain at P.S. 022 until the end of the school year and then will continue on to the next grade level at P.S. 022 in September 2012; these students can remain at P.S. 022 through graduation.

### **Pre-Kindergarten - Grade 1**

- If your child will be in first, second or third grade in September 2012, your child will be assigned to the new zoned elementary school that is proposed to open in the P.S. 022 building.
- Current pre-kindergarten students who are zoned to P.S. 022 will enroll in kindergarten at the new zone school.
- The new zone school will only serve pre-k, kindergarten, first, second grade, and third grade in the first year and will add one grade per year over the next two years.

### **Transferring to another school**

#### **Can my child transfer to another school?**

All students should remain in their current school until the end of the school year. If you have a hardship issue, meet with your child's guidance counselor or parent coordinator to find out about required documentation for transfer requests. There is no guarantee for a transfer.

#### **If I apply for a transfer for my child, do I get to choose the school?**

You may express a preference when you request a transfer, but transferring to a requested school may not be possible. Transfers will be offered based upon available seats.

### **Promotion Policy**

- If your child is not promoted at the end of this school year, he or she will remain in the same grade and will be served in this school building.
- Students in grades K-2 will be served by the new district school; students in grades 3-5 will be served by P.S. 022.

### **Questions**

If you have questions, speak with your child's principal, guidance counselor or parent coordinator. If you are not able to reach staff members at your child's school, call 311.
