## **The Proposed Re-siting of P017X@P179X (75X017) to Building X043, Consolidation with P017X@P043X (75X017) and Co-location with P.S. 043 Jonas Bronck (07X043)**

### **I. Description of the subject and purpose of the proposed item under consideration.**

P017X is an existing District 75 (“D75”) school serving students in grades K-8 at four different sites in the Bronx. X017@X040, also referred to as P017X@P179X (75X017, “X017@X040”) is one of these sites, and serves students with an Individual Education Plan (“IEP”) classification of autistic in grades K-5 at 468 East 140th Street, Bronx, NY 10454, in Community School District 7, in Building X040 (“X040”).

This is a proposal to re-site X017@X040 to Building X043 (“X043”), at 165 Brown Place, Bronx, NY 10454. Beginning in the 2011-2012 school year, all X017@X040 students would be served in the X043 building where the school will be consolidated with another P017X site, P017X@P043X or X017@X043 (75X017, “X017@X043”), which also serves elementary school-aged students in grades K-5 with an IEP classification of autistic.

The consolidated X017@X043 and X017@X040 programs would be “co-located” with P.S. 043 Jonas Bronck (07X043, “P.S. 043”), an existing zoned elementary school serving grades K-5 and which also offers 3 sections of pre-kindergarten. The X043 building is approximately 0.4 miles from the X040 building.

A “re-siting” means a school will be located in a different building than the building it is located in currently. A “co-location” means that two or more school organizations will be located in the same building and may share common spaces such as auditoriums, gymnasiums, and cafeterias.
