

School Song

There is a school in Woodside
We call it 229
It stands for all that's truthful
And everything that's fine.
Our boys and girls are happy
You'll always see us shine.
For we all have caught the spirit
That lives at 229.

We stand for health of body
For souls most clean and strong.
We look at life with gladness
And greet it with a song.
Each day we face with courage
Our banner bright we fly.
We honor you, we love you
Hooray for 229!
