Educational Impact Statement

I. Description of the subject and purpose of the proposed item under consideration.

In the 2010-2011 school year, 09X204 (hereinafter referred to as “P.S. 204”), an existing zoned elementary school serving grades K-5, will be housed in school building X338 (hereinafter referred to as “X338”) located at 1740 Macombs Road, Bronx, in Community School District 9 (“District 9”). A newly constructed school facility, X338 has a capacity of 642. X338 is located within P.S. 204’s current zone, and there will not be a zoning change related to the relocation.

09X204 is currently split-sited in X824 at 108 West 174th Street, Bronx, NY, and X980 at 1732 Davidson Avenue, Bronx, and serves grades K-5. In 2010-2011, it will move to X338 and will continue to serve grades K-5 in X338 with an enrollment of 315-400 students. The relocation of P.S. 204 will provide the school with sufficient space to accommodate all zoned students. This proposal will help to improve elementary school options for students in the northern area of District 9.

At this time, there is no plan for the use of additional space in X338. Any proposal to site an additional school in the building will be addressed in a separate educational impact statement. After P.S. 204 moves out of X824 and X980, X824 will be used to house Carl C. Icahn South Bronx Charter School, an existing school, and X980 will be used to house a District 79 GED program.
