Topic: The Proposed Co-Location of a New School (10X363) with Existing Schools in School Building X115

Date of Panel Vote: January 26, 2010

Summary of Proposal

Beginning in the 2010-2011 school year, 10X363, a new middle school that will serve grades 6-8, will be sited in school building X115 (hereinafter referred to as “X115”), located at 120 East 184 Street, Bronx, in Community School District 10 (“District 10”). 10X363 will be co-located with M.S. 399 and East Fordham Academy in X115. Creston Academy is also currently located at X115; however, Creston Academy will relocate to the school building X079 addition and move out of X115 prior to the phase-in of 10X363.

In 2010-2011, 10X363 will serve grades 6-7 with an enrollment of 150-200 students. Grade 8 will be added in 2011-2012. At scale, 10X363 will have an enrollment of 275-325 students.

The opening and eventual full phase-in of 10X363 in X115 will help to alleviate middle school overcrowding in District 10.

An Educational Impact Statement on this proposal was posted on the Department of Education’s website on December 11, 2009.

Summary of Comments Received at the Joint Public Hearings

A joint public hearing was held at X115 on January 13, 2010, and all interested parties had an opportunity to provide input on the proposal. Thirty individuals attended the hearing but did not make public comment.

Summary of Issues Raised in Written and Oral Comments and Significant Alternatives Suggested

No written or oral comments were received on this proposal.

**Analysis of Issues Raised, Significant Alternatives Proposed
and Changes Made to the Proposal**
