Parent Association

Hello and welcome to all our returning and new students, parents, teachers and staff. So, are you ready for an exciting 2010/2011 school year? We certainly are! The P10X Parent Association's Executive Board is ready to kick off the year with enthusiasm. We greatly anticipate getting to know you, as well as working with you on issues and topics that are on your mind. We are especially looking forward to working alongside the great educators that will be devoting their time and energy into making our children shine! So come and meet us today.

Goal: Increase our parent involvement. Join us and bravely step out to meet and learn about your child's fellow classmates and make an effort to get to know their parents (who knows, one of these children could be your child's new or first best friend!). Come check us out...you won't be disappointed!

Parent Coordinator

Dear Parents and Guardians:

Welcome to the 2010-2011 school year at P10X. Welcome to our new and returning parents. I am Laverne Hamilton, P10X Parent Coordinator.

It's hard to believe but it's that time of the year again. We have a busy and exciting school year ahead. With your involvement, support, communication and collaboration, parent involvement will be the key to the students' success.

Parental involvement is a combination of commitment and active participation on the part of the parent to the school and to the student. Attend and actively support school activities. Volunteer to help out at special events. Become an active parent member in the parent

association, school leadership team, carnival committee and more.

We are looking forward to a productive and exciting school year.

If you have any questions, please feel free to call me at 718-828-4022 ext: 147.

Sincerely,

Laverne Hamilton
