The next “How to Do Business with the DOE” seminar will be held on September 9, 2013. The seminar will take place at **Jacob K. Javits Federal Building (GSA)**, on the **6th floor, Conference Room J**, located at **26 Federal Plaza, Manhattan, NY 10278**. The event will be from **10:00 a.m. – 12:30 p.m.** You can register with **Kirsten Clark** at (212) 264-5023 or Kirsten.Clark@gsa.gov. All MWBEs and other prospective vendors are invited to attend.

NOTE: DOE encourages all vendors, including MWBEs, to register with DOE’s Vendor Portal at <https://vendorportal.nycenet.edu>. The free registration takes minutes to complete. Registering for Vendor Portal connects your firm to information about the wide range of goods and services purchased by the DOE. Once registered, your firm will receive e-mails whenever new bidding opportunities become available at the DOE. If you have problems accessing Vendors Portal you can call (718) 935-2300 or email VendorHotline@schools.nyc.gov. A live representative is available Monday through Friday from 8am - 5pm. Sign up for Vendor Portal today!

DOE Commitment to Equal Opportunity: The New York City Department of Education (DOE) has contracts with vendors to purchase the goods and services necessary to ensure that students receive the quality education they deserve. The agency strives to give all businesses, including Minority and Women-Owned Business Enterprises (MWBEs), an equal opportunity to compete for DOE procurements. The agency casts a wide net in search of talented vendors, seeking qualified suppliers from all segments of the community. The DOE’s mission is to provide equal access to procurement opportunities for all qualified vendors including

MWBEs. The DOE works to enhance the ability of MWBEs to compete for contracts and DOE is committed to ensuring that MWBEs fully participate in the procurement process.

If there are additional organizations that should be receiving this email, please let me know.

Please feel free to contact me should you need additional information or if you have questions regarding MWBE certification.
