

The Bardwell Bengals - Public School 29

Linda Manfredi, Principal

Johanna Longardino & Annmarie Vallebuona - Assistant Principals

October 16, 2012

Dear Parents,

Below is our school wide grading policy. Class tests in math, science and social studies will be graded on a percentage scale. At the end of the marking period, your child's average will be calculated into a performance level for the report card. Below is the grading rubric that will be used for the report cards:

- Performance Level 4 – 96%-100%
- Performance Level 3 – 80% - 95%
- Performance Level 2 – 70% - 79%
- Performance Level 1 – less than 70%

There will be both a percentage and a performance level grade on your child's report card (i.e. 3/87). The performance level will serve as the overall grade and what will be used to make honor roll decisions.

Sincerely,

Linda Manfredi
Principal

Grading Policy

Child's Name _____

Class _____

I have read and understand the school wide grading policy at PS 29.

Parent Signature _____
