September 2016

Dear Parent/Guardian,

In the beginning of the year, your child's program screened children for possible developmental and instructional needs, per New York State Universal Prekindergarten regulations. Your child did not complete the screening. As an alternative, your child will be assessed using teacher observation notes and work samples gathered in the context of everyday classroom activities and experiences. Your child's teacher will keep you informed of your child's progress throughout the year.

If you have any questions, please contact your child's teacher or our office at [earlychildhood@schools.nyc.gov](mailto:earlychildhood@schools.nyc.gov).

For more information on Early Childhood resources please visit our website at <http://schools.nyc.gov/Academics/EarlyChildhood/parentfamilies/resources.htm>

Sincerely,
