School Mission Statement

Emphasizing excellence in our "standards driven environment" all pupils will be engaged by the total school community of staff, pupils and parents working collaboratively in a climate of high expectations to meet and master our performance based curriculum.

Principal's Statement

At P.S. 26, our mission is to effectively educate all students by using the skills and knowledge of the entire learning community. With the combined efforts of our staff, students and families, we will increase achievement in all content areas with an emphasis on those areas measured by the N.Y.C. and N.Y.S. assessments. We will work collaboratively to cultivate a professional learning community which supports the social and emotional development of our children and fosters academic excellence. As educators we will only claim true success when all our students are learning at high levels.

Special Academic Programs

Special Programs: Title I Reading and Mathematics, Afterschool Enrichment and Intervention, and Saturday Academy. Teachers participate professional development lab sites and workshops in math and literacy sponsored by Teachers College and Math In The City.

Extracurricular Activities

Extracurricular activities include violin instruction for students in grades 2-5 by the Noel Pointer School of Music, Math Game Days and Family Math Game Night, Sports Day, Monthly Grade Assemblies and teacher sponsored enrichment activities including cultural art, science, flute, computer, sports and movement.

Community Support

We work closely with the Noel Pointer School of Music to ensure that our students present their music to the community and are exposed to local concerts. Our entire community worked with the American Red Cross to raise funds for Tsunami Disaster Relief. We look forward to expanding our community relationships this year.

Parent/School Support

P.S. 26 is excited about the many ways that parents are involved in daily school activities. Parents assist during morning line-up, breakfast and fundraising. Parents volunteer in classrooms, are members of the School Leadership Team, and attend a variety of workshops that focus on learning and ways parents can support their children in school.
