### School Mission Statement

*With the support and cooperation of families, community members and educators, our mission at PS 34 is to create a community of life-long learners, where high expectations, best practices and a safe and nurturing environment contribute to the development of the whole child. Our mission is embedded in the motto "High Expectations of Today Nurture Successful Citizens of Tomorrow". We are a community of learners where educators participate in on-going professional development that supports rigorous curriculum in reading, writing, and mathematics. We believe that every child can succeed and we emphasize academic interventions that support every learner. We also believe that every child should have equal access to excellence. Therefore, we provide a diverse enrichment program and various collaborations that support our vision.*

### Principal's Statement

The Oliver H. Perry School, a landmark building, has served the Greenpoint Community since 1867. The school community stands for academic excellence. Classrooms are organized heterogeneously to provide a setting where children are viewed as individuals with specific strengths, needs and learning styles. Working towards NYS Standards and providing rich opportunities to learn are important highlights of our school. We serve an ethnically diverse student population. Our students traditionally score above average on NYState standardized exams. Graduating students have been accepted to specialized middle schools and gifted programs. We are very proud!

### Special Academic Programs

All children have access to computer technology, science and art enrichment programs. Students who are learning English participate in ESL classes. In collaboration with Teachers' College and AUSSIE we implement the workshop model in reading and writing in addition to our rigorous reading comprehension and mathematics curriculum.

### Extracurricular Activities

PS 34 offers The Morning Academic Enrichment tutorials (4 days) and after school reading, math, and ESL classes (twice a week). We have established on-going collaborations with the American Ballroom Theater, The Brooklyn Conservatory of Music, Studio-in-a-School, Periwinkle National Theatre, and The Metropolitan Pool for swimming in grades 2-5.

### Community Support

We have partnerships with the NYPD, 94 Precinct, NY Fire Department, Brooklyn Public Library, NYC Parks, Project Kids, Woodhull Hospital, Con Edison, Learning Leaders, Hall of Science, Scholastic (Book Fairs are held twice a year),

### Parent/School Support

Learning Leaders help in Science labs and art classes. They also participate in class trips and book fairs. In collaboration with Bank Street College we hold workshops for parents. Adult ESL classes, held twice a week in the evening, help parents learn English.

PTA is very active and organizes fundraisers.
