School Mission Statement

The Carroll School is a collaborative community dedicated to the mission of providing the highest quality education for each student and the teaching of important community values. In each classroom students and teachers share and learn from one another through active classroom exploration and discussion of individual and group projects based on children's needs, interests, and passions. Our highly dedicated staff work closely together in a nurturing supportive environment. We encourage our children to celebrate diversity, to respect themselves and each other, and to value honest, hard work. Our students learn to think for themselves as lifelong readers, writers, mathematicians, artists, musicians, and researchers.

Principal's Statement

The Carroll School's instructional program is an outgrowth of study and conversations about new and effective teaching practices. Our well stocked classroom libraries and instruction based on student assessment allow children to pursue individual interests, to read with a depth of understanding, and to grow ideas through peer conversations. Our comprehensive math program encourages exploration with materials combined with traditional math skills. Intrinsic to the school's philosophy is collaborating between teachers, students and parents and our commitment to continual growth.

Special Academic Programs

Collaborative team teaching; hands-on science; arts programs - instrumental music, visual arts, and movement through staff + programs in collaboration with the Guggenheim Museum, Studio In A School, Shakespeare in the Classroom, Ballroom Dance; Legal Eagles, upper/lower grade reading buddies and after-school enrichment.

Extracurricular Activities

After-school activities include: orchestra, photography, FIRST Lego-Robotics; track and fitness instruction; spanish, art, dance and math enrichment programs, on-site dance and theater workshops and performances; student orchestral performances for the community, parent-led lunch clubs and our Little Grassroots blog.

Community Support

Our increasing roster of community partnerships include Studio In A School, Guggenheim Museum, Kids Orbit, Pratt Institute, Speaking Across Differences, Community Senior Center, Center for Arts Education and Columbia Teacher's College.

Parent/School Support

School-wide events, such as our annual Storybook Celebration, Potluck breakfasts, Multicultural Day, Fall Carnival and cultural performances are collaborations of parents and staff. We encourage parents to be informed partners in their children's learning through Math and Literacy workshops, and curriculum night.
