School Mission Statement

The mission of PS 69 is to provide a safe environment that supports, nurtures and encourages academic success for all students. We are committed to providing all students the resources necessary to achieve such goals and to create a collaborative partnership among students, parents and staff.

Principal's Statement

P.S. 69 is proud to be named The Vincent D. Grippo School in honor of the late superintendent of Community District 20. It was Mr. Grippo's dream to build this bright, architecturally unique building with a vision to the future and it is our privilege to carry on his legacy by providing an outstanding, balanced education for all of our students. In addition to a rigorous academic education in literacy and mathematics, students receive instruction which includes an immersion in the arts and technology, combined with science, social studies, music, and physical education for all.

Special Academic Programs

We have a computer laptop program in our third, fourth and fifth grades and we have received a Magnet grant which encourages our children to learn about our community, past and present. P.S. 69 is a proud partner of Studio in a School providing visiting artists to teach our students.

Extracurricular Activities

BCAA offers an after school homework helpers program.

Community Support

We have a strong relationship with the Brooklyn Chinese American Association and they operate an afterschool program in our building.

Parent/School Support

We have an active Parent Association that supports our school. The Learning Leaders program also trains parents as school volunteers to work in our library, classrooms and cafeteria. We also offer a variety of workshops to our families including Adult English Language classes, health workshops, and family art activities.
