### School Mission Statement

*The mission of the PS 72 school community - administrators, staff and parents - is to provide our students with a variety of learning experiences that will enable them to develop the skills and knowledge necessary to become lifelong, strategic and independent thinkers and learners. Our goal is to create an environment in which strategic thinking and problem solving are the tools for learning, used by all our students, in all areas of study. This foundation will support our students in all academic pursuits as well as providing them with the knowledge, strategies, behaviors and attitudes necessary to achieve high standards.*

### Principal's Statement

Successful students are the products of the interplay of people, resources, and information throughout a lifetime of learning. Our Teachers are inventors of quality work based on the expectations set forth from the Standards and this is reflected by the students' work. Teachers and administrators will instill in our students the knowledge, skills, and values that they need to succeed. The entire school community will be cognizant of how current educational practices shall drive the school's mission and the agents most likely to produce change.

### Special Academic Programs

Computer lab trains students to accelerate Math and Reading awareness; a Media Library for Internet and traditional research is available for open access. Afterschool extended day, Monday & Wednesday, & Sat. Academy for Academic intervention. Title 2D Technology Grant, Stock Market Game Financial Literacy Focus, Clubs on Fridays.

### Extracurricular Activities

### Community Support

We had partnerships with St. John's University, Brooklyn District Attorney, NYC Police Dept, Colony Houses and support from NYC Parents as Leaders Program. We have student teachers from Medgar Evers and Brooklyn College serving their internship requirement in our school.

### Parent/School Support

We are involved in joint fund raising activities. We are constantly reaching out to increase parent volunteer programs, so that teachers become more comfortable with having parents in their rooms. We have an active leadership team composed of school personnel and parents, all working toward the same goals.
