School Mission Statement

The main focus at P.S.100 is to teach children the necessary skills to become independent learners and productive citizens. An unwritten philosophy is "tradition with vision"; enhancing our strong academics with technology and new educational practices. Our children enjoy reading, writing and math which helps to develop a strong sense of responsibility for their success at school. Our teaching staff engages our children in challenging lessons and provides the students not only with the basic skills, but applications for these skills in journalism and media arts activities in alignment with our Magnet Program. We provide a balance between academic studies and the arts utilizing specialists in the arts to teach ceramics, puppet-making and dance.

Principal's Statement

P.S.100 provides our students with an excellent academic program and the opportunity to participate in the arts. Our innovative and exemplary programs have been described in the book, "The Best New York City Schools." We have achieved high academic standards and have been acknowledged by the Chancellor as one of the 200 best performing schools. Special programs include art, gym, technology, creative writing and Choral music. In 2005, we have been designated a Magnet School and will be The Media Arts and Communication School emphasizing communication skills through the development of a broadcast studio and a journalism program.

Special Academic Programs

P.S.100 is continuing our successful programs. Teams of teachers work together to evaluate student progress and to develop new strategies to accelerate student learning. We have literacy and math coaches to work with our staff to learn the best practices of the balanced literacy approach.

Extracurricular Activities

After-School ELL Support, Writers' Workshop, Math Club, SPARE Homework/Recreation Program. We have a very active Student Council which plan monthly, "Fun Days" as well as, "Give Back Days" when we plan a service project.

Community Support

Working with the Shorefront YMCA, we have classes an ESL Program for adults after school. The 60th Precinct did a drug prevention program for the 5th grade. We also had Penny Harvest, Holiday Toy Drive, and Tsunami Relief Fund Cake Sale.

Parent/School Support

Our P.T.A., Leadership & Title I Advisory Committees work in support of our school goals. We have an excellent partnership between the home and school. Parents attend class plays, Chorus presentations, and participate in fund raising activities.
