School Mission Statement

P.S. 132 is devoted to the development of the total child. Our goal is to provide each child with the building blocks necessary for a life long passion for learning. We are a school community that is committed to focus on the many integral facets of a well rounded education. We will work diligently to ensure that our children will excel in all academic areas. We will develop the gifts and talents of all of our students. We will enrich our school community with the creative arts and will welcome partnerships with local artisans. We will provide all members of our school community with a safe and orderly environment, conducive for learning and growing academically and socially. Respect is the backbone of all members of our learning community. We all respect each other's strengths, weaknesses, alikeness and differences. We celebrate one another. We promise to enrich educational careers with many magical milestones.

Principal's Statement

P.S. 132 is located in the heart of Williamsburg, Brooklyn and has served the community for over 100 years. As you walk through our building, you can feel the beat of P.S. 132's heart. It pulsates with excitement and love for the craft of educating children. We have embraced the workshop model of instruction in all curriculum areas. As a result, we have been named a Collaborative Community of Practice and a Teacher's College Mentor Site. We have also been named a Schoolwide Enrichment Model. We strive for excellence. We will make a difference in the lives of our students.

Special Academic Programs

P.S. 132 is a part of Teacher's College Reading and Writing Project. Balanced Literacy and the Everyday Math Program have been implemented throughout the building. The academic program is enhanced through the Schoolwide Enrichment Model where enrichment opportunities are infused into our curriculum.

Extracurricular Activities

Enrichment Clusters provide our students an opportunity to participate in a club of their choice such as Robotics and Computer Animation. Our school has developed a partnership with the musical theater residency, TADA. Bent on Learning offers yoga instruction for our students. Music and the Brain provides our early childhood with a keyboard lab.

Community Support

To further strengthen the school-community bond, we have launched Williamsburg Wonders where our students visit local galleries and places of interest to help enhance their appreciation for our community. Through partnerships with Red Shed Garden, Lincoln Center and several museums we have created rich cultural experiences for our students.

Parent/School Support

Parents are an integral part of our school. Our dedicated PTA constantly looks for opportunities to enhance parent involvement. Our PTA supports our curriculum by hosting fundraisers which support our thematic learning and writing grants to enrich our school community. We believe that with parents as our partners, our school will continue to soar.
