*"Learn Today, Lead Tomorrow."*

*It is the mission of IS 162 to establish an environment that will allow our students to become self-reliant and capable of developing and applying their skills and abilities to succeed in all areas of life. We strive to provide a safe and orderly atmosphere that will have a positive effect on students' learning. We set challenging goals that will enable our students to reach for high academic achievements. Our school environment recognizes the unique characteristics of each individual, his or her needs, and the importance of providing the guidance and support to grow socially, emotionally and academically. The administration, staff and parents will work together to implement a plan that will encompass all the ingredients necessary to successfully educate, and encourage our students to become productive citizens and lifelong learners.*

### Principal's Statement

IS 162 serves an ethnically diverse population of students. We recognize and respect the individuality, ethnic diversity and uniqueness of each student. IS 162 offers our students Honors, ESL and Bilingual programs through smaller learning communities in our three academies. We offer many activities to help our students become well rounded, mature young adults. We are committed to meet the educational, social and emotional needs of all our students. We empower our students to choose wisely and acknowledge the significance of their choices. We recognize the necessity to adapt to the changing needs within our school and community.
