School Mission Statement

At PS 176 we recognize that the elementary school is the most important level of education, where we build "the foundation for all future learning". In our school community, we strive to provide academic excellence for every student in a learning environment that is nurturing, supportive and developmentally appropriate. Through standards-driven instruction our students will be offered an educational experience in the least restrictive environment that will meet their physical, social-emotional and academic needs. We believe that each child should be encouraged to be all they are capable of being and to achieve personal excellence. To that end the administrators, teachers, and parents of PS 176 are committed to providing our students with a strong academic foundation and a lifelong love of learning.

Principal's Statement

P.S. 176 is a barrier-free school serving 1140 students. We have 15 languages spoken in our school community which reflects our diverse population. We strive to encourage each child to do their best. We convey to each child values that we think are most important: cooperation, respect, understanding and trust. We work to form a strong partnership between home and school. Our school's mission statement is "Believe it, Achieve it".

Special Academic Programs

Our school offers a program for gifted students in grades K-5. The Project Arts Program reaches into every classroom, and there's a rebirth of the arts throughout the curricula. Students receive services in Reading, Resource Room, English Language Learning, Math Clubs, Literacy Plus, Band, Chorus, Violin, Latchkey and Homework Help.

Extracurricular Activities

After-school program: NIA sponsored after-school program offering classes in Math, Science, Music, Sports; Bay Ridge Comm. Council Track Team; General Organization-sponsored events, Learning for Life, Literacy Plus.

Community Support

We are involved with the Neighborhood Improvement Association, Bay Ridge Community Council, Narrows Senior Center and Principal for a Day. These community outreach programs form a strong bond of enrichment for our children.

Parent/School Support

A strong home-school connection is critical to the success of each child. Our parents are involved in the Learning Leaders Volunteer Program and a Family Literacy Program. Our PTA sponsors many activities including book fairs, class trips, book swaps, City Harvest, Attendance Incentive Awards and much more!
