School Mission Statement

Christa McAuliffe Intermediate School believes that it is the responsibility of all the stakeholders in our school to encourage and foster high standards of excellence in the areas of academic, social, and emotional growth. Our academy organization provides a nurturing and supportive environment for each of our students. Our school mission has become a reality only if all members of the school community - parents, teachers, administrators, and others at all levels of the organization - focus their efforts relentlessly and effectively on enabling all students to meet high standards. Parents are crucial in shaping student attitudes toward education and in improving teaching and learning in our school.
