School Mission Statement

The mission of P.S. 191, The Paul Robeson School, is to collaborate with caregivers to support students inclusive of students with special needs and English Language Learners. We believe that all students will achieve excellence when given opportunities to successfully meet the standards and become productive citizens of the 21st century.

Principal's Statement

P.S. 191, The Paul Robeson School, has made healthy incremental gains in the areas of literacy, mathematics, science and social studies. Our school features two technology laboratories and we have assigned individualized Academic Intervention Services to students who are at a greater need for differentiated instruction. As a school we embrace the philosophy of collaboration, no-fault, and consensus decision-making. Our School Leadership Team has emerged as the cornerstone of school governance.

Special Academic Programs

The P.S. 191 After-School program provides our students in Grades 3-5 with "academic intervention services" and tutorial services in addition to the utilization of conflict resolution techniques. The program is offered after school to our students.

Extracurricular Activities

Our Project Arts program features violin instruction with a concert violinist. In addition, our resident artist instructs our students in different facets of art techniques which will culminate with the development of two murals which will be hung in the school building.

Community Support

We have a partnership with Camp Vacamas/United Way. Our school focuses on attendance improvement through our collaborative efforts with our Community Based Organization.

Parent/School Support

A monthly parent calendar is distributed, delineating activities and workshops on parenting, life skills, and the home-school connection; The P.T.A. Executive Board distributes a Parent Newsletter. A school newsletter informs the entire school community of pupil accomplishments and school celebratory events.
