School Mission Statement

Our mission statement states that our school community is dedicated to providing an opportunity for students and staff to work towards their highest level of performance in an atmosphere committed to learning and knowledge. It's an environment that supports creativity, building critical thinking skills and presents clear expectations for all. We see all students the same regardless of their ethnicity, their language or their disability. As John F. Kennedy said, "All of us do not have equal talent; but all of us should have an equal opportunity to develop our talent." That's what we strive for at PS 192.

Principal's Statement

This is a school that believes "Everyone can learn and students want to succeed". Our students are challenged to meet high standards and are given worthwhile, stimulating learning experiences. They are stimulated to take risks and encouraged to higher levels of thinking and creative expression. Our entire school community has a strong and respectful commitment of making this happen. This partnership builds on working together to make sure that quality instruction is taking place in a clean safe environment. We respect cultural diversity and celebrate our differences. As the mural in our school says it best: "All children smile in the same language".

Special Academic Programs

As partner school in the Collaborative Communities of Practice we have adopted the Reading and Writing Units of Study at TC and also maintain a close relationship with America's Choice linking balanced literacy to meet high performance standards. Student performance is supported by; at-risk specialists, CTT classes, looping, and small groups.

Extra Curricular activities include: After-School Safety Net Programs in literacy and math, and small group ESL tutorials, dance, art, violin, band and chorus programs, science and chess clubs.
