School Mission Statement

The Mission of World Academy for Total Community Health High School is to:

•Offer an academically rigorous curriculum that prepares students for higher education •Create a socially supportive learning environment •Prepare adolescents to make healthy choices, lead healthy lives and advocate for the total health of their families their communities, their nations and ultimately their world •Expose students to all aspects of the health care field and the variety of career options the industry offers. Our mission is firmly rooted in our core belief that all children are capable of learning and succeeding in life. Accordingly, our school is a college preparatory program that will prepare all students for the rigors of higher education. Students, staff, parents, and community partners work together to develop a sense of humanity that recognizes and celebrates all abilities, and contributions to school and community.

Principal's Statement

W.A.T.C.H. is a college preparatory high school with a focus on the total health of all members of our school community. Our academically rigorous curriculum is supported by small learning environments. The average class size is 27 to help students succeed. Our students must participate in community service activities by volunteering at local health facilities. Their responsibilities include reading to children in the pediatric waiting area. Our school culture is fostered by team building activities, after school classes and arts workshop. Our attendance rate is above average and incident rate is below average.
