#### School Mission Statement

All City Leadership Academy's (ACLA) mission is to prepare students to:

- 1) meet or exceed the requirements necessary for the attainment of a Middle School Diploma (for our middle school students) and a New York State High School Regents Diploma (for our high school students),
- 2) create an environment in which students can evaluate and develop their leadership potential, and
- 3) cultivate the principles of scholarship, character and service.

#### Principal's Statement

As a whole, our students have made gains in their academic performance this school year. I am proud of what the staff has done with their students in the classroom and what parents have done at home to assist in the preparation of their children in their studies. I am equally proud of the leadership/cadet structure which continues to provide not only the instruction in our customs and courtesies to our young people; but it continues to cultivate our school community's commitment to scholarship, character and service.

#### Special Academic Programs
