

2005-2006 ANNUAL SCHOOL REPORT

District 75

P.S. 79

New York City Public Schools
Joel I. Klein, Chancellor

Age Level of Students: 11 to 21

School Mission Statement

As part of the educational program at PS79M, our staff is committed to providing students with opportunities to develop positive self-esteem, leadership qualities, cooperative learning skills, self-respect, respect for others, and respect for the rights and property of all members of the community.

Our program is based on our belief that all children can learn to become productive and valuable members of their community. Our goal is to motivate, encourage, support and empower students to make appropriate choices for healthy and fulfilling lives. Embedded in the school's Positive Behavior Support Plan that emphasizes consequential behavior, students learn the rules of the school, to adhere to them, and to accept responsibility for the consequences of their behavior to achieve our goals.

Principal's Statement

3R and 4R students receive standardized based instruction and participate in the New York State Alternate Assessment. 3R students participate in a functional based curriculum and are evaluated through the Alternative Assessment Program. 3R students receive training in food preparation that culminates in working in the school's culinary path program every Friday, serving staff and students alike. A school student council, comprised of 3R and 4R students, meets once a month to plan school-wide events and address concerns facing the student body.

Special Curriculum Programs

All students are scheduled for at least two periods of literacy and two periods of math per day. 3R and 4R student volunteers receive training in supportive employment experiences at various worksites throughout the community. All of our 3R, 4R and 6R students are participating in the Learning for Life program.

Community Support

We are affiliated with the State University of New York, the New York Podiatry College/Clinic, Lifespire, Marcus Garvey Park, Salvation Army, Metropolitan Hospital, ABC Daycare and North General Hospital. At the aforementioned programs we have 3R and 4R students participating in either part time or full time work study.

Parent/School Support

The school leadership committees owe much of its success this past year to the continued support of its parent members.

STATE AND CITY TEST RESULTS IN ENGLISH LANGUAGE ARTS (ELA)

New York State and New York City adopted new assessments in 1998-99 to measure students' achievement of new, higher standards. The City ELA test is administered to students in Grades 3,5,6, and 7 and the New York State ELA is administered to students in Grades 4 and 8. Last year, in order to facilitate comparisons of scores from 2002 through 2004, 7th grade scores were excluded for all three years since the Department of Education and its test publisher agreed that the 2002 results for 7th graders should not be used. This year, 7th grade scores are included for all three years since this report does not include 2002 results.
