School Mission Statement

Simon Baruch is committed to providing its students with a quality education that will empower them in their future. Through the combined efforts of administration, teachers, parents and community, educational experiences will connect to student lives and allow reasoning at its highest order. To attain our goals we believe that every student must have the opportunity to: work to his/her fullest potential; be presented with high teacher expectations; be provided with multiple opportunities and modalities to demonstrate learning; become an independent learner as well as a cooperative group member; participate in the community as an informed and involved citizen; develop respect for the differences and diversity in our society; achieve physical and emotional well-being; and develop an appreciation for music, visual and performing arts.

Principal's Statement

Simon Baruch Middle School is dedicated to providing all students with strong academic preparation. Our goal is to teach students to think clearly and express themselves lucidly, value creative expression, understand mathematical and logical thoughts, the methods of science and technology, and to appreciate their own and other cultures. Ultimately, Baruch students will be prepared with intellectual strength, technical skills, aesthetic appreciation and a positive self-esteem enabling them to successfully meet challenges and make positive contributions to society.
