School Mission Statement

Wagner Middle School MS 167 firmly supports the concept of education as a collaborative process, requiring the joint efforts and cooperation of the school, the home, the student and the community. To support and encourage these educational collaborations, we are dedicated to providing clear expectations, open dialogue and communication, ongoing support and guidance, and opportunities for growth and practice. As a school rich in its diversity, we value and celebrate our differences as connections for learning about other cultures and uniting us as a community. Through joint endeavors, we find opportunities for us to share experiences, foster understanding and create common ground on which we can build. Wagner has an active partnership with the parents of our school community to ensure the success of our students.

Principal's Statement

Wagner Middle School is a large middle school that has been restructured into smaller houses, each with a core set of teachers. This helps create an intimate environment, which allows students to develop a strong sense of community. Assistant Principals and Guidance Counselors move with the students up through the grades. As a magnet school focusing on Math, Science and Technology, our students have access to advanced math and science courses, competitive math and science teams, computer and science laboratories, and technology workshops. Teachers provide a rigorous, caring supportive environment for all students.

Special Academic Programs

Special Progress; honors math; Math A Regents; Earth Science Regents; French & Spanish; band as a major; after-school literacy & math; instrumental and vocal music; technology classes including animation, drafting, multimedia presentation; and after-school access to our library and computer labs for homework and projects.

Extracurricular Activities

Math teams; computer, chorus, science & writing clubs; ARISTA (honor society); peer mediation/conflict resolution; drama and chorus; school yearbook and newspaper; community service; art club, photography club, team sports, including basketball, volleyball, tennis, and track; and a free after-school program.

Community Support

Wagner's partnerships include Interfaith Neighbors, National Executive Service Corps, the Frick, Guggenheim & Tenement Museums, Arts Connection & Manhattan School of Music, Project Omnibus, Jr. Achievement, NYU's America Reads/Counts, NYS Mentoring and Learning Leaders; student teachers from NYU, Fordham University, & Teachers College.

Parent/School Support

Parent volunteers, fundraising and a parent newsletter & website are just a few of our parent-sponsored activities. "Coffee and Conversation," meetings with the principal and guest speakers and evening workshops are hosted during the year by the school.
