School Mission Statement

The Mott Hall School is dedicated to the academic and personal development of its students who will become tomorrow's leaders. Our mission is to develop future leaders in Mathematics, Science and Technology by providing a world-class education that prepares students for college and higher learning. A progressive curricula consisting of a core curriculum with specialize course of studies, seminars, and enrichment electives is offered in a personalized, caring, and child-centered environment. The academically rigorous education that is provided includes many enriched and extended intellectual learning experiences inside and outside the school building. Students are asked to question, anticipate and solve problems, assume personal responsibility, and emerge as enthusiastic lifelong learners and independent thinkers motivated by the pursuit of academic excellence.

Principal's Statement

The powerful dynamic educational process at Mott Hall is reflected by the students engagement in deep discussion, vital Socratic dialogue and energetic exchange of ideas. Innovative teachers and motivated students share in the empowerment and love of learning which are the forces behind the school's mission and spirit. Mott Hall students learn analytical and critical thinking skills necessary to succeed and make significant contributions to the world that awaits them. The school offers academically rigorous curricula incorporating technology which allows all students the opportunity to become creative and independent thinkers.

Special Academic Programs

Mott Hall has enriched its academic program by offering students additional courses which include: Microsoft/Toshiba Laptop Learning Project, Pre-Westinghouse (STARS) Science Research Program, 8th Grade Service Learning, Robotics, Chess, National Dance Institute, Stock Market, Orchestral Music, Public Speaking, and Debating.

Extracurricular Activities

Students participate in a variety of extracurricular programs and in an after-school learning academy. Mott Hall offers challenging courses: exploration and research with Museum of Natural History, website development, engineering and advanced science training in City College science laboratories, and robotics.

Community Support

Mott Hall has numerous partnerships with organizations that help to enrich the curriculum and allow our students, teachers, and parents to reach high levels of academic and professional excellence. These organizations include Street Project, Morgan Stanley, Dean Witter, Barnard College, and City College.

Parent/School Support

Parent support and involvement is a vital part in academic success at Mott Hall. Parent Association representatives serve on various curriculum teams. Parents work collaboratively with the Parent Coordinator. Parents are participating in various workshops which focus on both career awareness and learning of technology programs and applications.
