School Mission Statement

At HSHM, the rigorous dual focused program begins in freshman year (9th grade) where students earn 2 credits in the core Hospitality Management program. Four credits in Global History with a successful score on the N.Y.S. Global History Regents Examination, one full year ahead of other NYC schools. Innovative Presentation and organizing for effort and purpose are consistent throughout the four year experience. It will be clearly evident that our students are not just seen as learners in the traditional sense, but problem solvers and professionals in training.

To ensure that everyone in the HSHM community is supported, students are directly involved in the creation of a student contract for passing, school community code of ethics and an accredited Character Development Program. Students will report to advisories on a regular basis as a means of support and encouragement.

Principal's Statement

HSHM is designed with you in mind as we consider our program to be “user” friendly and friendly to the user. Various systems have been created to insure that you are focused, nurtured and supported in every aspect of school life.

By selecting HSHM as your school you have made an investment in your future. The rigorous dual focused program will immerse you in all aspects of the hospitality industry, thus giving you background and expertise far beyond most people your age. All HSHM students will graduate with 5 hospitality industry certifications which are recognized nationally.
