School Mission Statement

EAR West Side's mission is to educate all students who have been placed "at risk." Our purpose is to develop critical thinking, economically self sufficient, socially conscious, and technologically literate citizens. We strongly believe that every student is capable of success in a nurturing environment that respects individual effort and achievement. We provide an atmosphere which features smaller class size, a supportive "family group" system, and opportunities for student internships and parental involvement. Our mission is to create an educational environment that will serve as a magnet to students who have been turned away or turned off by their previous schools.

Principal's Statement

EARWSHS's state of the art facility offers students who have made a firm commitment to working toward completing high school the opportunity to do so in an inviting and exciting setting. Our supportive staff works with students who have not experienced success in their previous schools. Over 75% of our graduating seniors apply and are accepted to college.
