Principal's Statement

The Public School 15 community is a very special one that is dedicated to its children. That dedication is supported by a committed staff and parent body that work extremely well together. Proof of that support was displayed by a recent series of articles by The New York Daily News, which highlighted our school as exemplary in parent support and cooperation. Our staff is a well balanced mix of talented veteran teachers and promising newer teachers who are dedicated towards professional development on the collegial level.

Please visit our website at www.ps15.net for more information.
