School Mission Statement

P.S. 38, The Rosedale School, is dedicated to meeting the needs of our multicultural student population. We have the highest expectations for our children and we encourage the attainment and celebration of superior academic, social, and emotional achievement. We emphasize the nurturing of the multiple intelligences of each child. We promote a love, respect and appreciation for reading as a bedrock skill for all future accomplishments. Our school culture promotes lifelong learners who develop into mature and productive citizens. We strive for and surpass excellence. We do not confuse effort with results. We make no excuses and accept nothing less than total commitment to outstanding performance.

Principal's Statement

P.S. 38 is committed to supporting a school program which fosters student, teacher, and parent participation. We work together to promote high expectations and the achievement of excellence. We develop our children mentally, physically, socially and emotionally. We are seeking to facilitate avid readers, writers, mathematicians, and scientists. Becoming a voracious reader is the highest value in our school. Students write their own poetry and share it with their peers. The School Leadership Team engages in vigorous brainstorming for the sole purpose of enhancing teaching and learning. We are dedicated to continuous improvement.

Special Academic Programs

In addition to the Math, Science and Communication Clusters implemented to enrich classroom activities during the day, the afterschool programs address literacy, mathematics, and science remediation and enrichment. We have expanded our Project Arts Curriculum to include both Theater Arts and Instrumental Music. We promote balanced development.

Extracurricular Activities

The Rockets basketball team, Rockettes Cheerleading Squad, Safety Squad, Student Council, Chess Team, Game 24 Team, Club Hour, and the Stock Market Club keep our upper grade students active during and after school. We are focused on grooming tomorrow's leaders.

Community Support

Our local library participates with us at our "Family Read - In" and signs up children for library cards. Our school participates in the Penny Harvest Program each year and our classes have presented plays for our neighbors, the Rosedale Senior Citizens. We have meaningful relationships with our local political and civic leaders.

Parent/School Support

The Learning Leaders Program provided us with additional support in tutoring, secretarial assistance, lunch and yard supervision. The Parent Coordinator sponsors parent workshops all year long and reaches out to the community to bring pertinent information and services to our school.
