School Mission Statement

The staff and community of PS 86 make sure that the needs of all of our students are met. Parents, teachers, staff, students and administrators make up a community where children feel safe, secure and nurtured. We have a literature based curriculum using workshop models in all curriculum areas. Students are active participants in their learning.

Principal's Statement

P.S. 86Q is a unique school. We are the only school in the city system that houses grades 3 through 6. We are committed to meeting the needs of every student that comes through our doors. We are the recipient of a Reso-A grant which will bring a great deal of technology into the building. All of our students enjoy a city funded Project Arts program. We have a growing special education program that meets the needs of our home zoned students. Forest Hills Community House is a community based organization that services approximately 150 students in an after-school program that includes homework help, sports, and arts and crafts.

Special Academic Programs

PS 86Q has heterogeneously grouped classes that enjoy daily literacy and mathematics blocks of ninety minutes each. We have an on-going program of Scholastic Achievements with Hillcrest High School; an after school program with Forest Hills Community house; Ballet Tech and Operation Respect (an anti-bullying campaign).

Extracurricular Activities

PS 86Q provides extended day programs for all students. Programs include the Voyager program for our at risk 3rd graders. There are other AIS programs for 4th, 5th and 6th graders, and programs for ELLs, including a program specifically for ELL students who are new to the country.

Community Support

Queens Hospital Networks has a primary health care facility in our school. We work with the NYC School Volunteers, the Forest Hills Community House, the New Visions Library Project, and Arts Connection. We have an active in-house 4-H program that are involved in many community service projects.

Parent/School Support

Parents participate in the decision making process through our school leadership team. There is a PTA that actively engages in fundraising. We maintain a community resource center and offer free ESL classes for our parents.
