School Mission Statement

Our mission is to provide a continuity of education from Pre-Kindergarten to eighth grade, creating a solid foundation in our early childhood grades through socialization, literacy, and numeracy skills. As our students' knowledge increases, sophistication of academics will increase to include technology, team building, problem solving, higher order thinking, oral and written communication, and research skills, so that when our students complete our middle school and exit the eighth grade, they are able to accept individual differences, work with others, and be prepared for the challenges that they meet in high school. This is achieved through an academically rigorous curriculum fully supported by our parents and the community.

Principal's Statement

P.S./I.S.87 is separated into three learning academies: Early Childhood, Elementary, and Middle School. Two Assistant Principals supervise the overall instruction of grades Pre-K to 3 and 4 to 8. We have reduced class sizes affording the students more individualized support. Our vision is to pursue academic excellence in an inclusive and collaborative environment where students are challenged and individual needs are met. Our goal is to provide a seamless line of instruction in a warm, nurturing, and supportive atmosphere where the parents and community members are always welcome.

Special Academic Programs

We offer foreign language, chess in schools, Earth Science, Math A, digital documentaries, power point presentations, Schools Attuned, Champs, Advisory, Fast Forward, Read Naturally, Fletcher's Place, before and after school literacy and math, morning ELL classes, and art club.

Extracurricular Activities

We offer many extracurricular activities including: Specialized High School Exam preparation, morning and afternoon sports, band, violin, recorder, keyboarding, chorus, dance, ELA and Math test prep, ELL classes for parents and students, newspaper club, art club, and chess.
