### School Mission Statement

*The commitment of our school community of educators, parents, and business people is to ensure that our children become literate, healthy and productive members of society. Our job is to find the strengths in our children and work from there to make them stronger in all areas of learning. Our mission is built around a literacy framework that calls for an understanding of the ways children develop as learners. By working together we will accomplish our goal.*

### Principal's Statement

P.S. 127, the Aerospace and Science School, is committed to fostering a student-centered environment which promotes high expectations for every student. Our school community is dedicated to ensuring that students are active participants in the learning process. We are working collaboratively with parents to provide a high-quality education that promotes excellence and self-motivation enabling our students to function in the world as critical thinkers and life long learners.
