School Mission Statement

The mission of P.S. 133 is to foster a collaborative and nurturing environment that is standards based, sets high expectations and recognizes the unique talents and abilities of each student. A partnership of educators, parents and students supporting one another will create a school community that maximizes student learning and fosters self-esteem. By adapting instructional techniques to various learning styles, differentiating instruction and focusing on critical thinking and communication skills, we will inspire our students to become independent, literate thinkers and problem solvers who are prepared to become contributing members of society.

Principal's Statement

P.S.133 is indeed a community school where the parents and staff support each other and our students academically, socially and emotionally. Our approach to learning is literacy-based, varied in scope and based on the philosophy that with the proper supports all students can thrive and reach their potential. We strive to prepare our students to mature into responsible citizens and creative lifelong learners in an atmosphere that values individuality, celebrates diversity and fosters self-esteem.

Special Academic Programs

Our school's special academic programs include: Project Arts, Title III ESL, American Ballroom Dancing, Academic Intervention Services, author visits, annual science fair, computer technology, math lab, partnership with the Bronx Zoo, "Early Stages" storytelling residencies and "Project Wise" environmental program.

Extracurricular Activities

Our students participate in activities that include the "Mighty Milers" walking club, the Colgate Women's Games, student council and a self-sustaining instrumental music program. Our school is famous for its parent run Talent Show that welcomes all interested students in grades K-5 who work together in groups to create a culminating performance.

Community Support

P.S. 133 prides itself on being a community friendly school. Our school community supports Meals on Wheels, Ronald McDonald House, Hoops for Heart and Jump Rope for Heart. The student council organizes a variety of school and community service projects. An adult ESL program is open to the entire school community.
