### School Mission Statement

*Based on the premise that all children can and will learn in the proper atmosphere our mission statement declares: The school community at PS/MS 207Q will provide a standards driven educational environment that encourages freedom of expression, respect for others, intellectual stimulation and appreciation for the Arts and Sciences with an emphasis on discovery and the love of learning for all. . . We are forever "In Pursuit of Excellence."*

### Principal's Statement

The entire school community has pledged all of its resources and energies to the children of P/MS 207. Our longstanding reputation for excellence is predicated on the doctrines of equality and opportunity for all students. Through the use of sound assessments, accurate information is processed and analyzed to help create data driven, differentiated instruction. Standards-based methodologies are then implemented to meet the needs of our K-8 population. The new continuum has had a serious impact upon us also, as our Special Needs population is significant and adds to our unique identity.

### Special Academic Programs

Sci. and Comp. labs, along with an accelerated curricula, have produced higher exam results and Regents credit for our MS students. Cultural Arts programs includes student performances and visits to professional venues. The enrichment classes (gds. 6-8) provide students with challenging, theme based projects.

### Extracurricular Activities

We offer many extended day activities including: Student council, Kiwanis, Dance, Chorus, Sign Language, Small group instruction, ELA, Middle School Subjects, Test Prep, Sports, Year Book, Art Classes, Counseling, Peer Groups, Parent Workshops, Homework Help, Library, and Computers. Our community service activities are also numerous.

### Community Support

St. Joseph's College, Brooklyn College, Queens College, Kiwanis and the NYC Parks Dept. Funding from local Councilman (Reso A) and State Assemblywoman. Local merchants and resident organizations support school activities. Queens Dist. Attorney, NYC Police Dept.

### Parent/School Support

Our School Leadership Team is the model of collaboration regarding all school decisions. Ad Hoc committees for graduation, staffing, assemblies and Community Service have also been greatly effective.
