

# 2005-06 ANNUAL SCHOOL REPORT SUPPLEMENT

## Region 03

## J.H.S. 216

### JHS 216 GEORGE J RYAN

New York City Public Schools

Joel I. Klein, Chancellor

Grade Levels:

Students on Oct. 31, 2005: 1,338

Students on May 1, 2006:

### School Mission Statement

*The mission of Ryan Middle School's Academies of Excellence is to provide students with an environment conducive to intellectual and social growth, while encouraging students to realize their full potential at home, in school and in the greater community. It is our belief that the school working together with parents and neighborhood organizations can engage students in productive activities which will enable them to achieve academic standards of excellence, as well as a strong sense of responsibility and self-worth.*

*At Ryan, our overall theme is "Building Community With a Student Focus". We firmly believe that adherence to this concept by all members of the school community will lead to greater achievement and success by all our students.*

### Principal's Statement

George J. Ryan M.S. 216 is divided into three theme academies: Academy of Communications; Academy of Law and Justice; Academy of Scientific Exploration. The theme of each academy is designed to motivate students through projects and active learning programs. Ryan provides an excellent academic education as evidenced by our high standardized test results and the large number of students accepted into specialized high schools and specialized programs in local high schools. We also have a partnership with St. Johns Univ. to enhance our Academies, implement excellent teaching strategies, and improve instruction to all students.

### Special Academic Programs

MS 216 has the following special programs: Jr. National Honor Society; Debate Team; Science Olympiad; and Terraphiles Environment Club, Junior Achievement and Earth Day Festival. Ryan students also participate in the following programs sponsored by CEI/PEA: Project Boost; the Astro Physics Program at the Hayden Planetarium and the Hall of Science.

### Extracurricular Activities

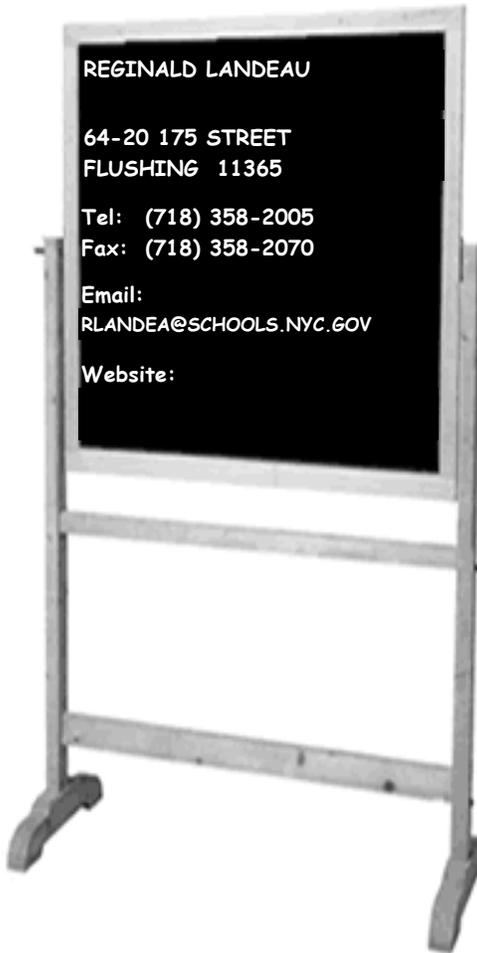

Non-academic activities include: Student Organization/Government, Boys and Girls Basketball, volleyball, handball and softball teams. We also have a yearbook squad, Tech squad, photography club, junior and senior chorus groups, junior and senior band ensembles, 6th grade recorder group. Intramural sports include soccer, wiffleball, and volleyball.

### Community Support

Our relationship with St. Johns Univ. affords us the luxury of being an integral part of the education community. In addition, the expanded opportunities for children offered through the Beacon Program and the TASC Program, parent workshops, parent newsletters and parenting support groups are available for the Fresh Meadows Community.

### Parent/School Support

Ryan has an active PTA and School Leadership Team. There is collaboration and consultation in order to provide a nurturing yet challenging experience for the students. Parents are invited to all school functions and are an integral part of our collaboration with the St. John's Univ. Partnership.
