School Mission Statement

Our students will be academically and socially prepared for high school.

Principal's Statement

Tri-Community JHS 231 is at the vanguard of the renaissance that is taking place in middle school education throughout the country. Our site is subdivided into housing three distinct academies, each comprised of its own administration, pedagogical staff, and students. Enrollment in any one of our three schools -- MBA, MIT, or ACT -- offers a student "a private school setting" in a public school.

Special Academic Programs

In addition to being an America's Choice school, implementing nationally recognized programs and academic strategies into our instructional framework, JHS 231 has made a significant financial commitment towards helping our students demonstrate high proficiency on NYS Assessment Exams by securing the services of KAPLAN.

Extracurricular Activities

Additional extracurricular activities include after-school Test Prep Tutorials in both Literacy and Math, basketball, gymnastics, cheerleading and step teams. We also participated in the Sports & Arts Program.

Parent/School Support

Our School Leadership Team, comprised of parents, faculty, and administration, meets on a regular basis to formulate strategies and policy for the ensuing school year. The PTA conducts fund raisers to support our initiatives and goals.
