School Mission Statement

Our mission is to prepare our scholars for entrance into the college or university of their choice and create an environment in which academic and personal excellence is developed and nurtured.

Frederick Douglass Academy VI is modeled after one of the most successful public schools in the country. In 1991 Dr. Lorraine Monroe founded Frederick Douglass Academy, a public school in Harlem. Since 1991 graduates have gone on to gain acceptance and attend Ivy League universities and colleges, as well as other prestigious and notable post-secondary institutions. Frederick Douglass Academy's in every borough attract students that are motivated by the academic opportunities they provide.

Principal's Statement

The Frederick Douglass Academy VI school is unique in that we consider our staff and the scholars as family. This allows the staff to provide each scholar with the opportunity to succeed academically, socially and prepare them for the professional world. The smaller learning community allows the staff to provide the scholars with more individualized attention as well as academic support to the scholars. The scholars participate in mandatory extended day courses: math empowerment, chorus, tutoring, newspaper and homework assistance.

Special Academic Programs

- College tours and trips
- PSAT
- College Board
- College Prep
- Saturday Talented 10th Program

Extracurricular Activities

Our track team has won first place for small schools in track and field. Our scholars are participants in the Regional Chorus. Journalism Club/Newspaper. Debate Team.

Community Support

Frederick Douglass Academy VI has an educational partnership with Replications, which is affiliated with new school initiatives. Connections with faith based leaders and elected officials.

Parent/School Support
