School Mission Statement

Public School 6, the first Collaborative Community of Practice School in District 31, represents a child-centered community where children are encouraged to "Achieve, Believe and Create their Dream." Our School is a learning community where students, teachers, administrators, support staff and parents collaborate to provide a rigorous and nurturing environment. Our goal is for our students to become lifelong learners. We believe that every child has something unique to offer and that it is our job to cultivate that gift. We set high standards and believe that all students can achieve. Through innovative teaching practices we strive to challenge our students to promote stamina for learning. Through direct instruction and authentic learning experiences, teachers create interactive, child centered classrooms based on student needs and interests. We are dedicated to providing the foundation necessary for our children to become responsible citizens.

Principal's Statement

Public School 6, is honored to bear the name of Corporal Allan F. Kivlehan, the first Staten Island Casualty of the Korean War. Our goal is to meet the needs of every child through differentiated instructional strategies. The staff shares a common vision of teaching and learning embracing the philosophy of balanced instruction with a firm commitment to being life long learners. In April of 2005, our school earned the distinction of becoming a Collaborative Community of Practice. In the Spring of 2006 we were privileged to be recognized by the City University of New York as a Mentor Site for Math in the City.
