School Mission Statement

Public School 29, the Bardwell School, is a community of learners working together for the success of all children. It is our goal that every student strives to reach his academic potential while meeting both his physical and emotional needs. Learning together through the ABC Institutes (Arts, Broadcasting, Community Outreach) we will continue to provide a safe, secure and nurturing environment in which our students can excel. We will maintain a child-centered atmosphere by continuing to provide our students with programs geared to enrich their varied interests through our ABC Institute. Succeeding together, teachers, parents, students and administrators will create a solid foundation for the future leaders of America.
