### School Mission Statement

*We will maintain a safe and caring environment which will promote academic excellence at each student's individual level. Students will be encouraged to discover the interdisciplinary relationships that exist in their studies. During a pupil's tenure at our school, we will promote healthy social interaction, and self-esteem while fostering techniques to empower future learning and imparting a love for learning.*

### Principal's Statement

Totten is a school of approximately 1160 students located in the Tottenville section of Staten Island. We are fortunate to have an excellent innovative teaching staff, motivated students and involved concerned parents. We have adopted the children first initiative and have incorporated both reading and math blocks into our curriculum. We also incorporate literacy and writing skills into all of our subjects. We are proud of our technology programs (fashion design, ceramics, stained glass, computers, etc.) We also enjoy a full music program that is made up of a symphonic, stage and marching band as well as the school chorus.

### Special Academic Programs

Our school program offers honors classes that incorporate a challenging curriculum into our academic subjects. We have incorporated literacy instruction into all of our curriculum areas.

### Extracurricular Activities

After school activities include both academic and recreational classes such as: science lab, computer lab, Lego robotics, tennis, track, basketball, softball, gym hockey, and a peer mediation and conflict resolution program.

### Community Support

We have numerous community and business partnerships. They include: the March of Dimes, St. Jude Hospital, American Cancer Society, Meals on Wheels, Tottenville Merchant Association, American Legion, WCBS, the NYC Public Library, Project Hospitality and others.

### Parent/School Support

Totten parents have always been very involved in all school activities. Our PTA is very active and our Leadership Team is dedicated to collaboration on all issues that involve our school.
