School Mission Statement

The mission of PS 35 is to develop the skills, attitudes and knowledge that promotes the intellectual, social, emotional and physical well being of all the members of our school community. Through service and participation, the great goal of P.S.35 is to help make students intelligent and to help make them good citizens. Everyone at our school works together to make these the best years of our students' lives.

Principal's Statement

P.S. 35 is an effective school-family community, with students, staff, and parents working together to consistently improve academic performance. Our small size is an asset that enables individual attention and nurturing relationships. We take great pride in our unity of purpose within a multicultural community. We have established partnerships with the College of Staten Island, St. John's University, and Wagner College. These associations promote and foster P.S. 35 student's quest for knowledge.

The Daily News identified P.S. 35 as one of the "best" elementary schools in NYC based on the 2005-2006 NYS ELA and Math Test results.

Special Academic Programs

A history through music curriculum, a coach, guests from the community, parent and college tutors, AIS Services, A Soar To Success Program, Field Trips and Music are just a few of the enrichment programs offered at P.S. 35.

The Science program features a greenhouse which enables our school to incorporate the study of horticulture into our curriculum.

Extracurricular Activities

After School Center, Field Day, a Dance Fete, theme concerts, read alouds, dances, student/faculty sporting events, assemblies, family dinners and a wide-range of PTA events are offered at P.S. 35.

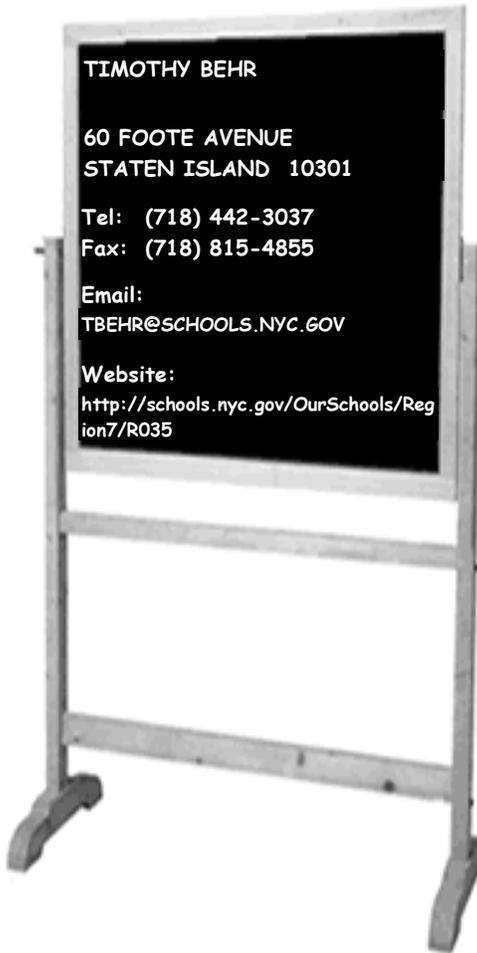

We have an After School Music program and a Saturday Academy.

Community Support

We have affiliations with The Metropolitan Museum of Art, the NYC Police Department, the NYC Parks Department, College of Staten Island, S.I. Institute of Arts and Sciences, Wagner College, St. John's University, S.I. Bank and Trust Foundation, the Atlas Foundation, The Martha Graham School of Contemporary Dance and The Snug Harbor Cultural Center.

Parent/School Support

Collaboration is provided by the entire faculty and staff of PS 35, the Parent Coordinator, the SLT, the PTA, parent and college volunteers. The primary goal of P.S.35 is to create a welcoming educational environment where all children can attain success.
