STATE AND CITY TEST RESULTS IN ENGLISH LANGUAGE ARTS (ELA)

New York State and New York City adopted new assessments in 1998-99 to measure students' achievement of new, higher standards. The City ELA test is administered to students in Grades 3,5,6, and 7 and the New York State ELA is administered to students in Grades 4 and 8. Last year, in order to facilitate comparisons of scores from 2002 through 2004, 7th grade scores were excluded for all three years since the Department of Education and its test publisher agreed that the 2002 results for 7th graders should not be used. This year, 7th grade scores are included for all three years since this report does not include 2002 results.
