*The mission of P.S. 46, in harmony with the home community, is to have all students attain standards in education that will provide them with the essential knowledge, creative abilities, and social development to become productive citizens of the twenty-first century.*

### Principal's Statement

P.S. 46 strives to build academic, social and creative excellence in our students. Academic assessments are used to focus on student's individual needs so every child can reach their fullest potential. Philanthropic endeavors, such as the P.S. 46 Giving Tree Roundtable, through Penny Harvest, teach children to help those in their community who are in need. Partnerships with cultural institutions, through grants from the Center for Arts Education and Carnegie Hall expose our students to the arts through music, dance and hands-on activities. Strong support from our PTA, Parent Coordinator and SLT helps to create an environment of academic excellence.

### Special Academic Programs

Laptop Computer Lab and classroom laptops with wireless internet access encourage group and individual work. Star Reader, Accelerated Reader and our early intervention program Reading Recovery are used to enhance reading instruction on various grade levels. We also have collaborations with Teachers College, S.I.Children's Museum and Carnegie Hall.
