School Mission Statement

The Petrides school is a seamless K – 12 school committed to creating an environment for learning that nurtures the “whole child” – mind, body and spirit. Teachers, parents, administrators and support staff collaborate to provide an education that celebrates the diversity of our students and recognizes the individuality and creativity of each child. Using alternative strategies as well as the organizational and programmatic approaches of a laboratory environment, we integrate the arts into a rigorous interdisciplinary curriculum. We engage students in active learning, developing self-esteem and promoting literate, creative, lifelong learners.

Principal's Statement

The achievements and accomplishments of Petrides' students is a source of great pride to all of our staff. We take pride in our personalized approach to education. Individualized performance data for every child and each class are regularly reviewed, and adjustments in educational strategy are made when necessary to support each students' learning style and current level of performance.

Special Academic Programs

Comprehensive developmental K-12 interdisciplinary approach is followed in all subject areas; hands-on experimental approaches and use of the greater metropolitan area as a classroom outside the traditional setting. iBook laptop distribution program provides wireless internet access for students in grades 6 through 12.

Extracurricular Activities

Activities include: spring musical production, band, chorus, Cranial Crunch Teams, Lincoln-Douglas Debates Team. K-8 sports: swimming, soccer and cheerleading. 9-12 J.V. and Varsity PSAL sports: track/field, baseball, softball, basketball, soccer, bowling, swimming, wrestling, volleyball, fencing, tennis, cheerleading.

Community Support

The Petrides School is part of a large community. This community supports the efforts of our school by providing a variety of services. Our partners include: St. John's University, Wagner College, College of Staten Island, NYPD, DOT, PAL, Center for Arts Education.

Parent/School Support

Our parent organization is supportive of all our academic and non-academic programs; recognizing that educating children requires a partnership between school, staff and families. Parents are included in the decision making process and participate in curriculum conferences and classroom activities.
