

# 2005-06 ANNUAL SCHOOL REPORT SUPPLEMENT

## Region 07

## H.S. 600

### RALPH R. MCKEE CAREER AND TECHNICAL HIGH SCHOOL

New York City Public Schools

Joel I. Klein, Chancellor

Grade Levels:

Students on Oct. 31, 2005: 750

Students on May 1, 2006:

### School Mission Statement

*McKee High School is the only Career and Technical Education High School on Staten Island that offers both a rigorous, comprehensive Regents-based, academic curriculum in addition to a challenging, hands-on career preparation sequence. This "2 for 1" course of study prepares students for not only their future collegial endeavors, but also establishes them as a skilled, competitive and motivated workforce who are ready to embark upon the challenges of the Twenty-first century. The most important thing that happens at McKee High School happens in the classroom. In addition to our core subjects, we are proud to offer such programs as: CISCO Networking, Pre-Engineering, Graphic Arts and Design, Construction Technology, Automotive Technology, Architecture Design and BioMedical Engineering. Our motto at McKee is "Every child a graduate."*

### Principal's Statement

Our goal at McKee High School is to prepare our students for the future. Through corporate and cultural partnerships, our students can build a bridge to real life career opportunities immediately upon graduation and immerse themselves in the vibrant world of the dramatic and creative arts. Whether it may be exposing our students to the rich culture and heritage of our great city or providing them with the skills, confidence and hands-on experience necessary to succeed in the global marketplace, we instill in our students a sense of pride, passion, and resolve as they embark upon their future endeavors.

### Special Academic Programs

McKee offers a rigorous, Regents-based curriculum with an opportunity to participate in classes such as Kingsborough's College Now and Summer at Sea programs, CCNY's Scholars Program and CSI's Discovery Center. Additionally, we are proud to offer Advanced Placement courses in English Literature, Biology, American History and Global History.

### Extracurricular Activities

We have a full PSAL Varsity and Junior Varsity Sports Program in collaboration with Staten Island Technical HS. A community-based organization sponsors our after-school programs. The following clubs are available: Yearbook, Robotics, STEP, Dance, Cranial Crunch, and Graphics.

### Community Support

We have an Advisory Council of Community Representatives and Steering committees for our Career and Technical Education sequences. Our academic, corporate and community-based partners include: DeVry Institute, Polytechnic University, Rochester Institute, Construction 2000, SI Senior Citizens Agency (CASA), JSEC, AIA, and the SI Chamber of Commerce.

### Parent/School Support

Parents actively participate in our PTA, PAC and School Leadership Team. Additionally, they actively support our special programs in the career and technical areas. The PTA, in conjunction with the Parent Coordinator, sponsors and supports workshops and exciting field trips for our parents.
